

## What did I learn in EYFS?

We explored what we could see, hear and feel whilst outside.

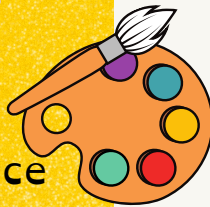

We made observations on the natural world, commenting on things that we saw outside, naming and describing some plants and animals.

## Art

### What is a portrait?

A painting, drawing or photograph of a person's face

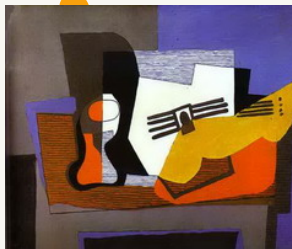

### Who is Pablo Picasso?

Pablo Picasso was a Spanish artist who many people say is one of the greatest artists of all time.

### What is cubism?

Mixing and cutting up colours, lines or images. A style of art introduced by Picasso that doesn't need to make sense.

### Key Words -

Portrait  
Artist

## Science

## What are my senses?

### Smell

### Hearing

### Touch

### Sight

### Taste

## What do my senses do?

The part of the body used for sight is your eyes.

We use sight to see the world around us.

The part of the body used for hearing is our ears.

We use hearing to listen to different sounds.

The part of the body used for touch is our skin.

We use this to feel and explore.

The part of the body used for smell is the nose.

The part of the body used for taste is our tongue.

We use this to taste our food and drink.

Encourage children to explain this in full sentences

Use actions to support them.

## Vocabulary -

**maps** - a picture or a diagram which shows what a place is like.

**near** - a short distance  
**away**

**far** - a long distance away

**The White Cliffs** - Cliffs – steep walls of rock

**port** - A place where ships can load and unload

## What did I learn in EYFS?

We learnt that we live in a town called Dover.

We looked at maps of our school and the area around us.

We made and drew simple maps of our homes and school.

## An ariel view of the schools in our Academy Trust.

## Where do we live?

We live in England. We live in a town called Dover.

Dover has a port, a castle and is home to the famous white cliffs.

An ariel view of Dover on a map of the United Kingdom
